## EXPERIENCE

### TUPLE LABS | *Austin, TX*

#### UI/UX Designer, March '16–Present

User interface design, experience design, and rapid prototyping for web and mobile apps. Lead the art direction and design for a financial management iOS app; developed branding, colors, illustrations, styleguides, a responsive website, and marketing assets. Also, design internal marketing materials and assist the research team during user testing.

### ASPEN HEIGHTS | *Austin, TX*

#### Graphic Designer, March '15–March '16

Development and execution of digital/print marketing campaigns for 20+ unique student markets around the country. Also, developed branding and marketing collateral for urban and non-urban residential projects around the U.S.

### GUERRILLA SUIT | *Austin, TX*

#### Graphic Design Intern, May '14 – August '14

Creative concepting for local and national brands and music events that included logos, web assets, admats, posters, and other collateral design.

### SQUARE 205 | *Denton, TX*

#### Graphic Design Intern, February '14 – May '14

Duties included identity and packaging for local brands, wireframing and web design. Assisted developers with web assets and styleguides.

### ZAHRA DESIGN GROUP | *Dallas, TX*

#### Graphic Designer, March '11 – April '11

Worked as a graphic designer on a variety of projects from conceptualizing logos to print production to any web graphics.
